2. Term and Termination.

2.1 Term. This Agreement commences on the Effective Date and continues until all subscriptions pursuant to any Order Form have expired in accordance with the stated subscription end date or have been terminated in accordance with the terms of this Agreement.

2.2 Renewal Term. The initial term of each subscription shall be as specified in the applicable Order Form (the “**Initial Term**”). An Order Form, Service subscriptions may be renewed for additional one-year terms, provided the parties agree to the renewal in writing at least 90 days before the end of the relevant subscription term (each a “**Renewal Term**” and together with the Initial Term, the “**Term**”).

2.3 Termination. In addition to any other express termination rights set forth elsewhere in this Agreement: a party may terminate this Agreement for cause (i) upon thirty (30) days' written notice to the other party of a material breach (including non-payment of fees owed) if such breach remains uncured at the expiration of such period, or (ii) if the other party becomes the subject of a petition in bankruptcy or any other proceeding relating to insolvency, receivership, liquidation or assignment for the benefit of creditors.

2.4 Refund or Payment upon Termination. If this Agreement is terminated by Customer in accordance with Section 2.3, Provider will refund Customer any prepaid fees covering the remainder of the Term of all Order Forms after the effective date of termination. If this Agreement is terminated by Provider in accordance with Section 2.3, Customer will pay any unpaid fees covering the remainder of the Term of all Order Forms to the extent permitted by applicable law. In no event will termination relieve Customer of its obligation to pay any fees payable to Provider for the period prior to the effective date of termination.

3. Fees and Payment.

3.1 Fees.

(a) Customer will pay all fees specified in Order Forms including any preapproved out-of-pocket expenses incurred by Provider. Except as otherwise specified herein or in an Order Form, (i) fees are based on Services and subscriptions purchased and not actual usage, (ii) payment obligations are non-cancelable and fees paid are non-refundable, and (iii) quantities of Services or Authorized Users purchased cannot be decreased during the Term.

(b) After the Initial Term, Provider may increase subscription fees by up to five percent (5%) at each Renewal Term.

Any promotional or one-time priced subscriptions for Services shall revert to Provider's then current list price.

3.2 Taxes. All fees and other amounts payable by Customer under any Order Form do not include any taxes, levies, duties, or similar governmental assessments of any nature, including, for example, value-added, sales, use or withholding taxes, assessable by any jurisdiction whatsoever (collectively, "Taxes"). Customer is responsible for paying all Taxes associated with its purchases hereunder. If Provider has the legal obligation to pay or collect Taxes for which Customer is responsible under this section, Provider will invoice Customer and Customer will pay that amount unless Customer provides Provider with a valid tax exemption certificate authorized by the appropriate taxing authority. For clarity, Provider is solely responsible for taxes assessable against it based on its income, property, and employees.

3.3 Payment. Unless otherwise stated in the Order Form, invoiced fees are due on the earlier of net 30 days from the invoice date or on the applicable annual renewal date as set forth on the Order Form for any Renewal Term. Customer is responsible for providing complete and accurate information to Provider in order to receive invoices. Provider is under no obligation to integrate into any Customer payment portal or comply with any Customer payment prerequisites such as vendor onboarding questionnaires or payment portal registration, which require the payment of fees to access such portals or the agreement to additional terms outside of this Master Agreement.

3.4 No Deductions or Setoffs. All amounts payable to Provider under this Agreement shall be paid by Customer to Provider in full without any setoff, recoupment, counterclaim, deduction, debit, or withholding for any reason (other than any deduction or withholding of tax as may be required by applicable law). Any prepayments for professional services will be credited by Provider against the actual time and materials billed for that particular month until the prepayment is exhausted; provided any prepaid amounts that remain after the 12-month anniversary date of the Order Form will be immediately forfeited by Customer and shall not be credited or refunded.

3.5 Late Payment. If Customer fails to make any payment when due then, in addition to all other remedies that may be available Provider may: (a) charge interest on the past due amount at the rate of 1.5% per month calculated daily and compounded monthly or, if lower, the highest rate permitted under applicable law; (b) accelerate Customer's unpaid fee obligations under such agreements so that all such obligations become immediately due and payable; and (c) suspend Services until such amounts are paid in full, provided that Provider will give Customer at least seven (7) days' prior notice that its account is overdue before suspending Services to Customer.

4.2 Protection of Customer Data. Provider will maintain appropriate administrative, physical, and technical safeguards for protection of the security, confidentiality, and integrity of Customer Data, as described in the Documentation. Those safeguards will include, but will not be limited to, measures designed to prevent unauthorized access to or disclosure of Customer Data (other than by Customer or Authorized Users). The terms of the data processing addendum available at Provider's website at <https://gomomentus.com/agreements-and-terms> ("DPA") posted as of the Effective Date are hereby incorporated by reference. To the extent personal data from the European Economic Area (EEA), the United Kingdom and Switzerland are processed by Provider, its Processor Binding Corporate Rules, and/or the Standard Contractual Clauses shall apply, as further set forth in the DPA. For the purposes of the Standard Contractual Clauses, Customer and its applicable Affiliates are each the data exporter, and Customer's acceptance of this Agreement, and an applicable Affiliate's execution of an Order Form, shall be treated as its execution of the Standard Contractual Clauses and Appendices. Upon request by Customer made within 30 days after the effective date of termination or expiration of this Agreement and in a format selected by Provider, Provider will make Customer Data available to Customer for export or download. After such 30-day period, Provider will have no obligation to maintain or provide any Customer Data and will thereafter delete or destroy all copies of Customer Data in its systems or otherwise in its possession or control, unless legally prohibited. **Any Customer Data export or download that is requested outside of Provider's obligations under this Agreement shall be subject to mutual agreement and may be subject to an additional fee.**

4.3 Reservation of Rights. Nothing in this Agreement grants any right, title, or interest in or to (including any license under) any Intellectual Property Rights in or relating to, the Services, or Provider Materials, whether expressly, by implication, estoppel, or otherwise. All right, title, and interest in and to the Services and the Provider Materials, are and will remain with Provider.

Without limiting the foregoing, either party may, at any time during the Term, request in writing changes to the scope of Services. The parties shall evaluate and, if agreed, implement all such requested changes in accordance with a new Order Form. No requested changes to the scope of Services will be effective unless and until memorialized in a new written Order Form signed by both parties.

4.5 Suspension or Termination of Services. Provider may, directly or indirectly or by any other lawful means, suspend, terminate, or otherwise deny Customer's, or any Authorized User's access to or use of all or any part of the Services or Provider Materials, without incurring any resulting obligation or liability, if: (a) Provider receives a judicial or other governmental demand or order, subpoena, or law enforcement request that expressly or by reasonable implication requires Provider to do so; or (b) Provider believes, in its sole discretion, that: (i) Customer or any Authorized User has failed to comply with any term of this

Agreement, or accessed or used the Services beyond the scope of the rights granted or for a purpose not authorized under this Agreement or in any manner that does not comply with any instruction or requirement of the Documentation; (ii) Customer or any Authorized User is, has been, or is likely to be involved in any fraudulent, misleading, or unlawful activities; or (iii) this Agreement expires or is terminated. 5.4 Usage Limits. Services are subject to usage limits specified in Order Forms and Documentation. If Customer exceeds a contractual usage limit, Provider may work with Customer to seek to reduce Customer's usage so that it conforms to that limit. If, notwithstanding Provider's efforts, Customer is unable or unwilling to abide by a contractual usage limit, Customer will execute an Order Form for additional quantities of the applicable Services promptly upon Provider's request, and/or pay any invoice for excess usage in accordance with Section 3.

6. Customer Obligations.

6.1 Definition.

(a) “**Access Credentials**” means any username, identification number, password, license or security key, security token, PIN, or other security code, method, technology, or device, used alone or in combination, to verify an individual's identity and authorization to access and use the Services.

7. Provider Support.

7.1 Definition.

(a) **“Provider Systems”** means the information technology infrastructure used by or on behalf of Provider in performing the Services, including all computers, software, hardware, databases, electronic systems (including database management systems), and networks, whether operated directly by Provider or through the use of third-party services.

7.2 Support Services. Provider may amend the Service Level Agreement from time to time in its sole discretion and such updates shall amend and replace Exhibit A.

7.3 Data Backup. The Provider Systems are programmed to perform routine daily data backups as set out in Provider’s backup policy in effect from time to time. Provider will deliver to Customer its then most current back-ups of Customer Data. In the event of any loss, destruction, damage, or corruption of Customer Data caused by the Provider Systems or Services, Provider will, as its sole obligation and liability and as Customer’s sole remedy, use commercially reasonable efforts to restore the Customer Data from Provider’s then most current backup of such Customer Data, provided such limitation shall not apply to any breach of Confidential Information.

Confidential Information of each party includes business and marketing plans, technology and technical information, product plans and designs, and business processes disclosed by such party. However, Confidential Information does not include any information that (i) is or becomes generally known to the public without breach of any obligation owed to the Disclosing Party, (ii) was known to the Receiving Party prior to its disclosure by the Disclosing Party without breach of any obligation owed to the Disclosing Party, (iii) is received from a third party without knowledge of any breach of any obligation owed to the Disclosing Party, or (iv) was independently developed by the Receiving Party. For the avoidance of doubt, the non-disclosure obligations set forth in this Section 8 apply to Confidential Information exchanged between the parties in connection with the evaluation of additional Provider Services.

8.2 Protection of Confidential Information. As between the parties, each party retains all ownership rights in and to its Confidential Information. The Receiving Party will use the same degree of care that it uses to protect the confidentiality of its own confidential information of like kind (but not less than reasonable

care) to (i) not use any Confidential Information of the Disclosing Party for any purpose outside the scope of this Agreement and (ii) except as otherwise authorized by the Disclosing Party in writing, limit access to Confidential Information of the Disclosing Party to those of its and its Affiliates' employees and contractors who need that access for purposes consistent with this Agreement and who have signed confidentiality agreements with the Receiving Party containing protections not materially less protective of the Confidential Information than those herein. Neither party will disclose the terms of this Agreement or any Order Form to any third party other than its Affiliates, legal counsel, and accountants (“**Representatives**”) without the other party's prior written consent, provided that a party that makes any such disclosure to its Representatives will remain responsible for such Representative's compliance with this Section 8. Notwithstanding the foregoing, Provider may disclose the terms of this Agreement and any applicable Order Form to a contractor to the extent necessary to perform Provider's obligations under this Agreement, under terms of confidentiality materially as protective as set forth herein.

8.3 Compelled Disclosures. If the Receiving Party or any of its Representatives is compelled by applicable law to disclose any Confidential Information then, to the extent permitted by applicable law, the Receiving Party shall: (a) promptly, and prior to such disclosure, notify the Disclosing Party in writing of such requirement so that the Disclosing Party can seek a protective order or other remedy or waive its rights; and (b) provide reasonable assistance to the Disclosing Party, at the Disclosing Party's sole cost and expense, in opposing such disclosure or seeking a protective order or other limitations on disclosure. If the Disclosing Party waives compliance or, after providing the notice and assistance required under this Section 8, the Receiving Party remains required by law to disclose any Confidential Information, the Receiving Party shall disclose only that portion of the Confidential Information that, on the advice of the Receiving Party's legal counsel, the Receiving Party is legally required to disclose and, on the Disclosing Party's request, shall use commercially reasonable efforts to obtain assurances from the applicable court or other presiding authority that such Confidential Information will be afforded confidential treatment.

9. Intellectual Property Rights.
