

ORDINANCE NO. 2023-13

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF VISALIA APPROVING ZONING TEXT AMENDMENT NO. 2023-02, ADDING TO THE VISALIA MUNICIPAL CODE CHAPTER 5.66 (REGULATIONS AND REQUIREMENTS FOR CANNABIS BUSINESSES PERMITTED TO OPERATE UNDER CALIFORNIA STATE LAW), AMENDING CHAPTER 8.64 (PUBLIC USE/CONSUMPTION OF MEDICAL MARIJUANA), AMENDING CHAPTER 17.25 (COMMERCIAL, MIXED USE, OFFICE, AND INDUSTRIAL ZONES USE MATRIX), AND ADDING SECTION 17.32.167 (DELIVERY ONLY MEDICAL MARIJUANA RETAIL) IN ORDER TO ADDRESS UPCOMING STATE MANDATED CHANGES AS A RESULT OF THE PASSAGE OF SB 1186, THE "MEDICINAL CANNABIS PATIENTS' RIGHT OF ACCESS ACT", AND ESTABLISH OBJECTIVE STANDARDS FOR PERMITTING DELIVERY ONLY MEDICAL MARIJUANA RETAIL ESTABLISHMENTS WITHIN THE CITY OF VISALIA.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF VISALIA:

Section 1. Findings. The City Council hereby finds the following in support of these municipal code additions and modifications:

- A. In 1996 California voters approved Proposition 215, that legalized, under state not federal law, the possession and use of cannabis for medical purposes by individuals under designated circumstances; and
- B. In 2016, California voters approved Proposition 64, the Adult Use of Marijuana Act, which established a system to legalize, control, and regulate the cultivation, processing, manufacture, distribution, testing, and sale of nonmedical marijuana. However, Proposition 64 expressly allowed local agencies, such as the City of Visalia to decide whether to allow commercial marijuana activities within the local agency jurisdiction; and
- C. In response to Proposition 64 and other state laws the City of Visalia approved ordinances that did not allow commercial cannabis activities, regardless of whether the cannabis was intended for medicinal or recreational use, City ordinances specifically allow an individual to use, possess limited quantities of, or cultivate marijuana (up to six plants) for personal use in compliance with state, not federal, law; and
- D. In 2022, SB 1186, which becomes effective on January 1, 2024, the Medicinal Cannabis Patients' Right of Access Act was signed into law, this statute decreases the prior allowances for local agency control over cannabis business by stating cities in California cannot adopt or enforce regulations that prohibit the retail sale by delivery of medicinal cannabis, although zoning and business license regulations of such businesses are allowed by state law; and
- E. The City of Visalia has determined that reasonable zoning regulations, business licensing requirements, and modifications of current ordinances to comply with SB 1186 are necessary for the health, safety, and welfare of the citizens of Visalia.
- F. Allowing delivery only (non-storefront) medicinal cannabis to be located in industrial zones, even with the proposed buffer zone, within the City of Visalia is consistent other types of delivery businesses and allows interested parties a large area within the City that is available for use, so the number of such sites is not restricted; and
- G. Not allowing this type of cannabis related business activity in commercial service zones avoids potential secondary impacts, such as encouraging youth smoking, drug use,

concerns over criminal activities from cannabis businesses, to other land uses that are more often located near commercial service zones compared to industrial zones, in addition the City Council finds that avoidance of these secondary impacts can be established by the requirement of a buffer zone between locations in industrial zoned areas and school sites within 500 feet; and

- H. City Council finds that requiring delivery only medicinal cannabis businesses to be non-storefront/delivery only, not cultivate marijuana onsite, provide a security plan, provide fencing, submit background inspections, submit to vehicle inspections, meet state mandated requirements for medicinal cannabis businesses, will also avoid potential secondary impacts, and provide for the safety and wellbeing of both the business applicant and surrounding community; and
- I. City Council finds that parking and signage requirements are consistent with similar uses within the City; and
- J. The Planning Commission of the City of Visalia, after duly published notice, held a public hearing before said Commission on October 9, 2023; and
- K. The Planning Commission of the City of Visalia considered the Zone Text Amendment in accordance with Section 17.44.070 of the Zoning Ordinance of the City of Visalia and on the evidence contained in the staff report and testimony presented at the public hearing; and
- L. The City Council of the City of Visalia, after duly published notice, held a public hearing before said City Council on November 6, 2023, and introduced said Ordinance for first reading on that date.
- M. The proposed Zoning Text Amendment is consistent with the intent of the General Plan, and Zoning Ordinance, and is not detrimental to the public health, safety, or welfare, or materially injurious to properties or improvements in the vicinity.
- N. That the proposed Zoning Text Amendment is not inconsistent with any other Element of the General Plan.
- O. The ordinance additions and modifications establish objective standards to adequately address operational standards for delivery only medical marijuana retail establishments, consistent with the stated goals of the City of Visalia General Plan and Zoning Ordinance to preserve and promote the public health, safety, and welfare of the city while also adhering to SB1186, which prohibits local agencies from enforcing any local regulations that prohibit the retail sale by delivery of medicinal cannabis.

Section 2. Business License Requirements for Delivery Only Medicinal Cannabis. Chapter 5.66, setting forth regulations and requirements for cannabis businesses permitted under state law, is hereby added to address upcoming state mandated changes as a result of the passage of SB 1186, and establish objective standards for permitting delivery only medical marijuana retail establishments within the City of Visalia.
