I am writing my concerns for jack in the box on loverslane in Visalia ca. I live across the street from jack in the box my address is 2915 E Laurel Ave, Visalia CA 93292. I don't approve of a 24 hour the agreement when built was not 24 hours and I feel like it will create gang activity young kids hang out so it would be loud and disturbing our sleep and peace. so I disapprove of a 24 hour thanks for listening to my concerns. Thanks Nicole Villanueva.

What's your take on the appeal?

Needs to be 24 hours imo ..support the appeal

This business owner is helping our economy and giving folks at the bottom rungs of the work ladder

...jobs!!!

B.

No way is this an attractive nuisance

Instead just the reverse....these far away areas way out on Lovers Lane are subject to regular vandalism and other crimes ...having staff their 24 hours is eyes and ears in the neighborhood 23/7/365 almost to a degree like unpaid security...

All up and down Ben Maddoxovernight breakins were the thing probably still is

Subject: Jack in the Box - Tulare & Lovers Lane - Against

Hey Josh,

We received a phone call on the hotline regarding the Jack in the Box hours at the location above. The homeowner at 2947 E Meadow Ave called in as he is unable to attend the meeting due to a back injury and does not have access to a computer to submit his comment but received the mailer notification with the hotline number.

He is against the request for the Jack in the Box as he feels the increase of hours will result in more homeless in the neighborhood, which is very close to the residential homes, as well as an increase in late night parking lot activity, such as racing, speeding, etc. as that is currently happening at the gas stations at the corner of Lovers Lane and Noble and with the increase of hours, could potentially make this location a nuisance to the neighborhood.
