

Trash Bin Receptacle Cleaning:

Pick up loose trash, apply chlorine solution to dumpsters and surrounding area, allow 10 minutes dwell time, steam clean dumpster exteriors, pressure wash enclosure walls and ground. (Can be scheduled once per month)

\$75/visit

Additional evening pressure washing service (\$680):

This would be the same exact service that is described in the current scope of work. We are currently providing this service on Tuesday and Friday evenings. (proposed schedule Mon, Wed & Fri evenings 9:30pm - 1:30am pressure wash all passenger areas and one alternating bus lane per visit)

\$680/visit

AM Bus Depot Pressure Washing:

A morning cleaning service would include completely washing all bird droppings around the main bus depot building and entrances. Spot cleaning other problem areas as time permits. (proposed time 5-7am)

\$225/visit
