INTRODUCTION

As an enthusiastic and passionate individual dedicated to public service and community, I possess nearly thirty (30) years of professional experience in business administration and management, with particular focuses in budget development, economic development, finance, human resources and risk management.

PROFESSIONAL EXPERIENCE

City Manager
City of Porterville, California
January 2009 – Present

At the direction of the City Council, provide executive administration of a full-service city with 325 full-time employees and 250 part-time employees in eight departments (Administrative Services, Community Development, Engineering & Project Management, Finance, Fire, Parks & Leisure Services, Police and Public Works) providing service to an official city population of over 62,000 and serving approximately 70,000 residents of the greater Porterville area. As the senior City Manager in Tulare County, regularly represent the eight cities of Tulare County in regional, state and federal advocacy efforts.

Deputy City Manager
City of Porterville, California
January 2007 – December 2008

At the direction of the City Manager, provided administrative oversight, including serving as the City's Lead Negotiator in the meet and confer process with its six recognized employee associations, and Acting City Manager as assigned.

Administrative Services Manager
City of Porterville, California
May 2006 – December 2006

Provided administration with responsibilities for the City Clerk's Office, finance, human resources, Porterville Municipal Airport, and risk management.

Director of Personnel
Burton School District (Porterville, California)
July 2001 – April 2006

At the direction of the Superintendent, provided administration with responsibilities for budget development and human resources.

Administrative Assistant/Personnel
Burton School District (Porterville, California)
May 1994 – June 2001

At the direction of the Assistant Superintendent, provided administration with responsibilities for budget development, human resources and payroll.
