FY 25/26 CAPE SEAL PROJECT

ADDENDUM NO. 1

Issued: February 20, 2026

Submittals Due: Thursday, February 26, 2026, at 2:00pm

Addendum No. 1 is being issued to provide responses to questions that have been received. This addendum must be signed and submitted with bid.

ITEM 1: QUESTIONS/RESPONSES

Q. 1 Could you please let us know who the assigned Estimator or Project Manager on this project?

Response: One of our public works staff will be assigned after the project is awarded. There is not an Engineer's Estimate for this project but the City's approved budget for this project is \$1,175,000

Q. 2 Are PCMS Boards required? Response: Please refer to specification 64-4.2

Q.3 Are Construction area Signs required? I am referring to the CAS 48 x 66 inch signs? Response: Please refer to specification 64-5.

Q.4 When grinding and the AC is damaged the remedy is to remedy with Type 2 slurry. This being a Cape seal project with Micro is this named in error if the chip and Micro will fix this area? Response: Grinding is not anticipated for this project, cape seal would be sufficient.

Q.5 What's the anticipated start date? Response: June 8, 2026

Q.6 Is there any clearing and grubbing (crack seal, patching, weed spray) required beyond industry standard road prep, removal, sweeping, etc.? Response: No

Q.7 I see this project is out for GC bidding. Will there be another RFP for materials testing & inspection services? Response: For this project, the City will be utilizing one of their contracted agencies for materials testing/inspection.

ITEM 3: UPDATED PREVAILING WAGES

The prevailing wages for this project were checked on 2/19/26 and there were no updates to the wages that were originally posted with this RFB.

**EQUAL EMPLOYMENT OPPORTUNITY COMPLIANCE CERTIFICATE
(EXECUTIVE ORDER 11246)**

Equal Opportunity Clause

Unless exempted by rules, regulations or orders of the Secretary of Labor issued pursuant to Executive Orders 10925, 11114 or Section 204 of Executive Order 11246 of September 24, 1965, during the performance of each contract with the City of Visalia, the BIDDER agrees as follows;

1. The BIDDER will not discriminate against any employee or applicant for employment because of race, color, religion, gender, national origin or political affiliation. The BIDDER will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, gender, national origin or political affiliation. Such action shall include, but not be limited to, the following: employment upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship. The BIDDER agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination clause.
2. The BIDDER will, in all solicitations or advertisements for employees, placed by or on behalf of the BIDDER, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, gender, national origin or political affiliation.
3. The BIDDER will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided by the agency contracting officer, advising the labor union or the workers' representative of the BIDDER's commitments under Section 202 of Executive Order 11246 of September 24, 1965, and shall post copies of the notice on conspicuous places available to employees and applicants for employment.
4. The BIDDER will comply with all provisions of Executive Order 11246 of September 24, 1965, and the rules, regulations and relevancy orders of the Secretary of Labor.
5. The BIDDER will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by the rules, regulations and relevant orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records and accounts by the contracting agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations and orders.
6. In the event of the BIDDER's non-compliance with the non-discrimination clauses of this subcontract or with any of such rules, regulations or orders, this subcontract may be canceled, terminated or suspended, in whole, or in part and the BIDDER may be declared ineligible for further government contracts in accordance with the procedures authorized in accordance with Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation or order of the Secretary of Labor, or otherwise provided by law.
7. The BIDDER will include the provisions of Paragraphs (1) through (7) in every subcontract or purchase order unless exempted by rules, regulations or orders of the Secretary of Labor issued pursuant to Section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each SUBBIDDER or vendor. The BIDDER will take such action with respect to any subcontract or purchase order as the contracting agency may direct as a means of enforcing such provisions including sanctions for non-compliance. Provided, however, that in the event the BIDDER becomes involved in, or is threatened with litigation with a SUBBIDDER or vendor as a

result of such direction by the contracting agency, the BIDDER may request the United States to enter into such litigation to protect the interest of the United States.

SUBCONTRACTORS LIST

In accordance with the provisions of Section 2-8 "Designation of Subcontractors," of the Standard Specifications, each bidder shall list below the name and location of place of business of each subcontractor who will perform a portion of the contract work in an amount in excess of one-half of one percent of the total contract price or \$10,000, whichever is greater. In each instance, the nature and extent of the work to be sublet shall be described.

The general Contractor to whom the contract is awarded will not be permitted, without the written consent of the Engineer, to substitute any person as subcontractor in place of the subcontractor designated in the original bid, or to permit any subcontract to be assigned or transferred, or to allow it to be performed by anyone other than the original subcontractor. The Engineer may consent to the substitution of another person as subcontractor, if the original subcontractor, after having reasonable opportunity to do so, shall fail or refuse to execute, when said written contract is based upon the conditions of the general contract and complies with the subcontractor's written bid.

The failure of the Contractor to specify a subcontractor for any portion of the contract work in excess of one-half of one percent or \$10,000 of the total contract price shall be deemed to indicate that the Contractor intends to perform such portion himself. The subletting or subcontracting of work for which is in excess of one-half of one percent or \$10,000 of the total contract price, will be allowed only with the written consent of the Engineer.

Complete Columns 1 and 4 and submit with the bid. Complete columns 2 and 3 and submit with the bid or fax to (559) 713-4801 within twenty-four (24) hours after the bid opening. Failure to provide complete information in Columns 1 through 4 will result in a non-responsive bid. See the following page for the SUBCONTRACTORS LIST table.

VSS INTERNATIONAL, INC. / ABOUT US

VSS International, Inc. is the premier pavement preservation and maintenance contractor in the western United States. Specializing in chip seals (asphalt rubber and conventional), cape seals, multi-layers, slurry seal and micro surfacing preservation technologies. VSSI is a merger of three Basic Resource's entities: International Surfacing Systems, Valley Slurry Seal, Inc., and VSS Emultech. Their first pavement preservation operation dates back to 1951 for slurry seal and in the 1980's for asphalt rubber chip seal.

VSSI currently operates in Arizona, California, Oregon, Washington, Nevada, Idaho, Montana, Alaska, New Mexico, Utah, South Dakota, Colorado and Texas. Apart from operating within the western U.S., VSSI has performed pavement preservation related projects throughout the world. The company owns and operates three asphalt emulsion plants in California. These plants produce a broad range of emulsions for the highway industry, including sophisticated polymer and rubber modified materials for specialty applications. VSSI also manufactures the very best in asphalt rubber blending technologies, slurry/micro surfacing machines and emulsion mills. Our MacroPaver, MiniMac machines and Emultech mills can be found in service worldwide.

VSS International, Inc. offers a range of non-construction services including technical advice on all aspects of asphalt technology, from refining and product design to manufacture and application. They also offer agreements utilizing VSS technology in polymer and rubber modified asphalts, multi-grades, slurry and micro surfacing systems and equipment, chip sealing emulsions, emulsion manufacturing, and production mill packages.

VSSI belongs to the Reed Family of companies, and thereby has access to additional capabilities such as asphalt plants, concrete plants, and aggregate quarries belonging to sister companies. In addition, these sister companies provide expertise, subcontracting resources, and other opportunities to VSSI.

VSSI's broad range of capabilities and products allows them to maintain pavement for their clients with the best, most cost-effective procedures. It is their firm belief that the best way to grow their business is to provide the best possible products and customer service, thereby encouraging their clients to not only continue maintaining their valuable pavement infrastructure but also recommend pavement maintenance to additional clients
