

HAZARD CONTROL TECHNOLOGIES, INC.
FIRE, VAPOR, AND CONTAMINATION CONTROL SOLUTIONS

Date: January 1, 2022
To: Whom It May Concern
From: Michael T. Greiner, President *MTG*
Subject: Hazard Control Technologies, Inc. Exclusive Distributorship

HCT Distributor: Environmental & Lubrication Solutions
Distributor Agreement #: HCT #2015-12-01-01
Effective Date: December 1, 2015
Renewal Date: December 31, 2022
Geographic Territory: State of California, USA

We hereby declare that via contractual terms outlined in the above referenced Distributor Agreement, Hazard Control Technologies, Inc. has hereby appointed the above referenced HCT Distributor as a Distributor of HCT's products including but not limited to F-500 Encapsulator Agent in the above-referenced Geographic Territory.

Since HCT Distributor Agreements restrict Distributors from quoting, selling or disposing of HCT Product outside of their territory, HCT will not honor providing product through another Distributor, other than outlined above or unauthorized 3rd party.

HCT recognizes that while our products are sold and distributed through an exclusive distributor network, ultimately the end user clients are clients of HCT. We value your patronage; therefore, to protect end user's clients from any potential inflated pricing during a bidding process, HCT has established fair and reasonable retail pricing across the USA on all HCT Product and would be glad to provide a retail price quote on your requirements, if requested at RFQ@hct-world.com to assure pricing within established guidelines.
