Adoption of an ordinance amendment is considered exempt under Section 15061(b)(3) of the State Guidelines for the California Environmental Quality Act (CEQA). A Notice of Exemption has been prepared for the project because Section 15061 (b) (3) states that the project is exempted from CEQA if the activity is covered by the commonsense exemption that CEQA applies only to projects that have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA.
